PLAYHOUSE**
AT VICTORIA GARDENS
CULTURAL CENTER
RANCHO CUCAMONGA

7/1/2020

Dear Guests of Victoria Gardens Cultural Center,

Like so many other live performance venues across the country, this year has proven to be anything but typical for the Lewis Family Playhouse. Since the initial outbreak of COVID-19, we have been closely monitoring the progression of news surrounding the pandemic and the measures implemented to keep people protected. Though the State mandated phases, there continues to be much uncertainty as to when indoor public events can safely resume.

We regret to inform you that due to many variables, all of which surround COVID-19, the City of Rancho Cucamonga will not be offering a full season of presented and produced performances at the Lewis Family Playhouse originally scheduled to begin this September.

The health and safety of our patrons, artists, volunteers, and staff remains our highest priority. Our venue is smaller than others in our region and the budgetary impacts of this crisis have been severe making it challenging to sustain operations and implement social distancing protocols in the current climate. With the best interest of our community in mind, we have made the very difficult decision to pause public programming while we re-script our future.

The City of Rancho Cucamonga is committed to the Arts and will work towards future theatre and entertainment options for the community. These are challenging times, and we appreciate your patience and understanding as we work to address and respond to these circumstances beyond our control. We take pride in knowing we are your home for the Arts and look forward to the day when we can entertain and inspire our audiences once more.

For updates and the latest news on happenings at the Victoria Gardens Cultural Center, we encourage you to sign up for our newsletter. It will be the primary way we reach out to you in the future. To sign up for our newsletter, please visit: www.vgculturalcenter.com.

We thank you for your support and truly hope you are well and in good health.

Sincerely,
Victoria Gardens Cultural Center Staff
